

The top of the page features a teal background with the Monoprice logo in large white letters. Below the logo is the tagline 'TECHNOLOGY AT A PRICE THAT MAKES SENSE'. To the right of the logo, there are images of various electronic products: a monitor, a pair of large headphones, and a microscope.

# MONOPRICE

TECHNOLOGY AT A PRICE  
THAT MAKES SENSE

## Junior Category Manager (m/f/x)

---

Full-time ◦ Berlin, Germany

### Overview & Company

Monoprice Inc and Monoprice GmbH are the #1 Selling Brand of 3D Printers in the US, and a large supplier of a broad selection of high-quality, competitively priced business and consumer electronics. In Berlin, Germany, we are a small team managing our 2400 products of which 1100 are own manufactured goods.

We are looking for a Junior Category Manager (m/f/x) to manage our catalog of just under 1000 products. Do you have some experience in managing product content, pricing, and data in an ERP or ecommerce platform? Are you self-motivated and have an independent workstyle? Then our team would like to meet you!

This unique opportunity makes you one of the first team members of Monoprice GmbH in Berlin, Germany.

### Goals & Objectives

- **Catalog Management** – Managing the Product Listings, Content, Inventory and Pricing of just under 1000 products.
- **Order Management** – Work closely with Customer Support to ensure orders are being processed correctly and in a timely manner.
- **Merchandising & Vendor Management** – Key contact with our ecommerce agency ensuring promotions, landing pages and product placement are optimized and merchandised correctly.
- **Marketplace Support** – Supporting our Marketplace Manager to ensure the setup and mapping of products are correct.

### Education, Experience & Skills

- Preferred is a university degree in Marketing, Business, or similar without practical experience needed
- Minimum requirement of a high school diploma, i.e. Abitur, with some practical experience
- Preferred are 2+ years' experience managing or working at EU ecommerce marketplaces
- Required are excellent Excel skills, preferred is some experience working with ecommerce platforms or ERP systems
- German native or C2 required; English B2 preferred

## Our Offer

- Possibility to gain experience while working independently with the opportunity to grow with our start-up, i.e. to the position of a Performance Marketing Manager
- The security of our parent company in the US and the possibility to work closely with the US
- Development opportunities in terms of trainings or certifications
- Team events, free product samples, a competitive salary and a great team to work with
